SECOND AMENDMENT

This is in response to the Office Action mailed
24 July 2007.

The above-identified case was filed with a Preliminary Amendment that, among other things, added the subject matter of apparently allowable claim 2 to claim 1. Unfortunately this amendment was scanned before the claims filed with the case, so that the unamended claims appeared on top and the above-referenced office action was on them, not on the amended claims.

The examiner is respectfully requested to redo the office action on the amended claims and to restart the term for response.

If there are any questions, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,
K.F. Ross P.C.
